

Why this report:

As many other industries the construction sector has seen a massive shift from traditional ways of orientating on solutions for projects towards new ways of staying up-to-date. We have tracked the development pre- and post-corona, and have also asked architects what they expect when the situation is back to normal.

Participation in **events** to stay up to date

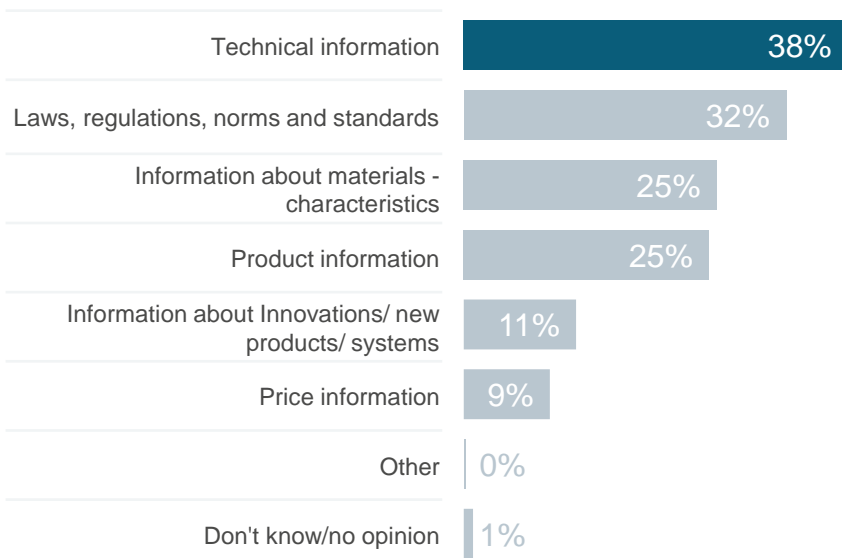

United Kingdom
Most in favour of online events

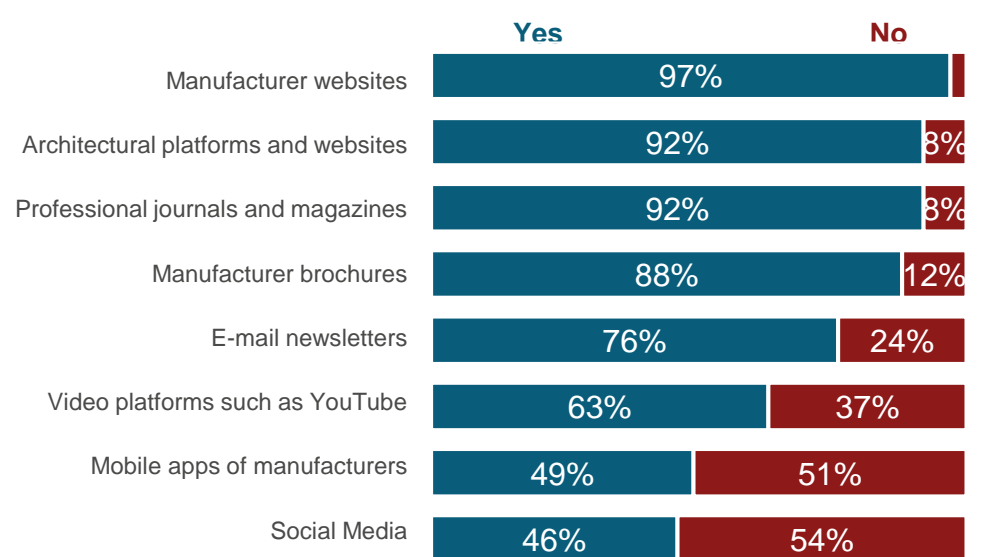

Italy and Spain
Prefer physical events

Information search

Information sources to stay up to date
